Verse 1:

Somebody told me:
 "Follow your heart,"
 but I don't know when
 it will change again.
 So many feelings,
 yet only believing I can
 trust you.

Pre-Chorus:

Still worry fills up every part of me
 and slowly push my trust away.
 If I change my focus maybe I could see
 all the birds flying free.

Chorus:

You say: "Let go."
 Fill me with hope.
 Loosing control.
 I'm singing your praises.
 Lie in your peace.
 My mind at ease.
 You never cease.
 So I'm singing your praises.
